

WELCOME to the new family-orientated, community website that Queen Edith CP School has asked Purple Door to set up for you.

Purple Door supports the local community. It brings promotions and special offers to parents, raises funds for schools and brings customers to local businesses.

By using this new web based Shopping and Leisure Centre you can help Queen Edith CP School to raise much-needed funds. It doesn't cost you any more to shop through the new Centre and there are lots of exclusive discounts offered by local businesses, regular money saving offers and competitions available to you.

You can find many well-known high street stores and brand names ranging from large national names like PC World, Marks and Spencer, John Lewis and Expedia to local businesses such as restaurants, florists and personal tutors and so can be used as a single source for all family shopping.

By purchasing items through Purple Door from the participating businesses, a percentage of the money you spend goes directly back to your school. Purple Door also gives a percentage of money from the advertising revenues gained from the local businesses. As a parent, you are not spending any extra money, however you are helping your child to benefit from the materials and equipment your school will be able to purchase with the additional funds.

Purple Door is a fantastic way to help **Queen Edith CP School** and makes it easy for you, as a parent, to support your child's school. It is also fun for you and your family as it includes the What's On Family Diary that includes activities and events taking place in your local area. There are also regular competitions with great prizes for you to win.
