

Yellow Moon Catalogue

Dear Parent/Carer

Today your child should have brought home a copy of the **Yellow Moon** catalogue which has been given out to every Key Stage 1 child (ie Nursery, Reception, Years 1 & 2). We hope that you will support us by making an order from the catalogue. (Note that, as part of our 'Green Policy', we have decided not to distribute the catalogue to Key Stage 2 children but if you would like one there are spare copies in the carousel near the school office.)

Yellow Moon offers lots of wonderful products to keep your children entertained **plus** it also helps to raise funds for the school - **up to 25% on every purchase**. So the more you, friends and family order, the more cash-back we'll receive!

Yellow Moon has a huge range of different products including:

- Birthday and Christmas present ideas, eg science and construction kits, puzzles
- Educational games, eg on time, money, spellings and times tables
- Christmas craft items to keep your children busy, eg foam, felt and stickers
- Party products, eg animal stampers, springs, balloons, etc.

You can place your order online, by phone, post or fax - but **please remember to quote the Source Code with every order as this is how orders will be attributed to Queen Edith**. The Source Code can be found on the front cover of the catalogue. Note that **orders should be sent directly to Yellow Moon** and Yellow Moon will send your products direct to your door.

Many thanks for your support.
