

PSFA News

July 2009

What a fantastic year!

We are delighted to announce that we have agreed to donate the following amounts to the school:

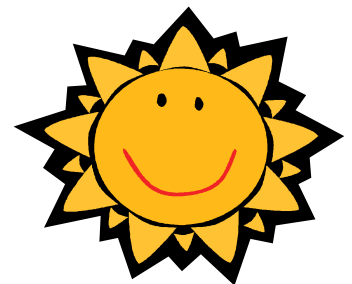

- **£3360** for an exciting new play structure for the Year 1 & 2 playground. We hope that this will be installed in September - it is currently being made for the school.
- **£1000** for books - following our pledge two years ago. We will continue to donate this amount every September for the foreseeable future.

We recently received a cheque for **£224** from the Bag2School collection in March. Thank you for bringing in your sacks. Our next collection will be in October, so please keep all your old clothes, shoes, etc for us.

Yellow Moon

Please continue to order from the *Yellow Moon Summer Catalogue* - it's full of lots of art and craft products, educational games, etc to keep your children amused during the holidays. *Plus* a percentage of what you spend comes back to the school! Note that due to our new 'green policy', we have decided to limit the distribution of catalogues to Nursery, Reception, Years 1 and 2 from September 09. Spare copies will be available from the carousel near the school office for anyone else who would like a copy.

A HUGE THANKYOU to everyone who's enjoyed the events, helped out and supported us during 2008/9. We will announce our next fundraising targets early in the autumn term.

Best wishes for a relaxing summer break from the PSFA Committee.
